- Monday-Saturday SR-SS; closed during lunch time 12.00-13.00 LT
- Sunday 11.00 LT- SS; closed during lunch time 12.00-13.00 LT

Airport charts

The following information and procedure charts are published:

- AD Info 1 - Ground Chart LSZM
- AD Info 2,3,4 / relevant information
- VAC – Visual Approach Chart for aircraft with a turning speed <110kt and helicopters
- DEP Chart for aircraft with a turning speed >110kt
- ARR Chart for aircraft with a turning speed >110kt

A good knowledge about the available procedures and also about the mixed traffic at and around the airport is important.
